Subject: ENERGY STAR Application for Two Twenty Two Berkeley (ID: 279)

Dear Mr. Baxter:

Thank you for applying for the ENERGY STAR for Two Twenty Two Berkeley (ID: 279). We have reviewed your application, and we wanted to follow up on the issue below:

The submitted application is not complete. Each box in the ENERGY STAR Data Verification Checklist for Certification must be checked as "Yes" (or confirmed via the notes field) to ensure that all data has been verified as accurate and up to date. The verification check for the field Total Energy Consumption for this Meter on page 11 was left blank.

Can you please confirm via reply to this email that The meter on page 11 named "(b) (4)" captures all energy consumption tracked through this meter? An application resubmission is not required at this time.

Please respond to this email by October 21, 2016 if you would like this property to be considered for the ENERGY STAR.

Thank you and we look forward to your response,

ENERGY STAR,

You are correct. The box should be marked as yes. Looking at the submitted form, the "X" mark I put for the box got moved to the left side of the page by accident.

Thank you and have a great day
